**IF YOU DON'T STOCK IT
OR CAN'T GET IT,
IT'S JUST MONEY
OUT OF YOUR POCKET!!!**

If you don't stock plumbing repair and replacement parts, there are just two things you can do if you need some.

First you can call up the original manufacturer. But they may have discontinued the product or else they require a large minimum order. Which means you'll either waste a lot of time and effort or tie up the money in excess inventory.

Second, you can call Kissler & Co. Kissler can duplicate any plumbing part made. We manufacture and distribute parts for all plumbing brass lines, regardless of age. Plus we have a huge inventory of repair parts in stock, ready for immediate shipment when you need them.

Add to that Kissler's reputation, a reputation that has been enhanced every day for 60 years by an organization that prides itself on professionalism and quality, and you have for yourself a complete "one stop source" for **QUALITY REPAIR PARTS---KISSLER & CO., INC.**
